Helping Montessori Schools Grow Better Together.

WHY CHOOSE US?

Our team combines extensive experience in Montessori education with world-class teacher training. With nearly 15 years of global success in guiding renowned Montessori schools and operating the world's largest Montessori teacher education center, we are ready to help you harness the power of learning technology.

OUR MISSION

We established Bridgemont with the mission of extending access to high-quality Montessori secondary education.

Our goal is to serve a diverse community, including students from other Montessori schools looking to continue their Montessori journey as well as students seeking a distinctive educational experience not currently available in their local area.

OUR PROMISE

At BIS, we are committed to engaging your adolescents in the core Montessori principles that make our program truly distinctive. We wholeheartedly embrace the importance of community in nurturing the holistic development of adolescents within the Montessori framework.

NOT READY TO RUN AN ADOLESCENT PROGRAM? JOIN OUR REFERRAL PROGRAM INSTEAD!

We believe in supporting education as a collaborative effort, and our referral program reflects that commitment. When your student enrolls with us, your Montessori school benefits too. Contact us today for more information on the different methods you can take to partner with Bridgemont International School.
